The society was formed over fifty years ago and the aim of the society is to bring together like minded people who have an interest in aviation, whether it be

**Aviation Photography**  
**Collecting Aircraft Registrations/Spotting aircraft**  
**Airports and Airlines**  
**Flying**  
**Aviation History and visiting museums**  
**Local Airport/Airfield visitors and movements**  
**Meeting like minded fellow enthusiasts**  
**Aircraft Modelling**  
**Collecting Memorabilia**

The Society has always had close links with Leeds/Bradford Airport and is proud to be a continuing staunch supporter of the Airport.

## Monthly Meeting and Magazine

Meetings are generally held on the first Sunday of the month at 2.30pm in a room kindly provided by Leeds/Bradford Airport. Each month we have a talk/presentation with an aviation theme. Guest speakers include representatives from airlines, airports, pilots, aviation related charities, fellow enthusiasts, RAF personnel, both active and retired, each giving fascinating insights into their particular field.

Previous notable speakers include Jonathan Hinkles (Loganair), Carl Gissing (Thomson Airlines), Damian Ives (Thomas Cook), Nick Godfrey and Paul Swiffen (Jet2.com), Tony Hallwood (LBA), Rory McLoughlin (Manchester Airport), Sqn Ldr Drew Steel, Sqn Ldr Neil Airey, Peter Hampson/Debbie Riley, Capt Mike Newall and the Yorkshire Air Ambulance.

Members receive our colour monthly magazine (printed or electronic) with original contributions from our membership covering airport/airfield movements, photographs, airport news, commercial aviation news, members' articles, hard facts and some aviation gossip/humour.
